

# LAND USE WORKSHOP

## CLAIREMONT COMMUNITY PLAN UPDATE

### COME JOIN US!

- This workshop will include multiple stations highlighting areas in the community.
- Workshop participants will be able to review different land use options for each area and make selections.
- Conceptual imagery, including renderings, will illustrate the type of development that could potentially occur with each land use option.
- Workshop participants will be able to indicate their selections on an individual comment booklet, which will be submitted at the end of the workshop.
- The results from this workshop will be summarized and posted to the project's website, and will inform the community plan update process.
